1 THE PURPOSE OF THE DOCUMENT

The purpose of this document is to ensure there is a procedure for validating and onboarding new suppliers, which is crucial for ensuring that our company works with reliable and high-quality partners. This document will guide the user on the process to follow when onboarding a new supplier.

2 SCOPE

2.1 DOCUMENT OVERVIEW

This document details how to create a vendor account for a supplier, as well as stipulate the process to change and update current vendor information

This document details general requirement & risks, the process helps to ensure that only the highest quality partners are chosen to work with Schauenburg.

3 SUPPLIER APPROVAL PROCESS

The process involves assessing a supplier's credentials and trustworthiness before engaging in any business activities. Prior to engaging in any business activities, thorough research should be conducted to establish the following:

3.1 RISK EVALUATION

- Declaration of existing relationships with Schauenburg employee/s.
- On site visit to examine processes, cleanliness, technology gaps.
- Supplier's assessment:

3.2 CAPABILITY, CREDENTIALS, RELIABILITY, TRUSTWORTHINESS.

3.3 QUALIFICATIONS, EXPERIENCE AND FINANCIAL STABILITY

- History and references – period in business, delivery performance.
- Establish estimated procurement activity:

3.4 REGULAR – CREDIT TERMS MUST BE NEGOTIATED – 30 DAYS FROM STATEMENT.

3.5 ONCE OFF – COD

- Is it better/easier to use a 3rd party?
- Evaluation of competitive pricing.
- Quality & Safety – include certifications (i.e. ISO, etc).
- Safety of the supplier's goods and services – Material certifications & environmental impact

4 SUPPLIER INFORMATION UPDATE IN THE SYSTEM

Capture from reference documents.

5 REFERENCE DOCUMENTS

- It remains the responsibility of the requestor to obtain all relevant documents from the potential supplier and ensure they are current.
- Supplier Questionnaire including supporting documents
- Credit Application if regular supplier (if supplier does not have a credit application)
- Letter from supplier on their letterhead clearly showing limit approved.
- Supplier Checklist – must be signed off by respective Manager.
- NDA
- Service Level Agreement – wherever necessary
- Full pack of documents must be sent to Procurement Manager for approval.
- Once approved, Finance will load the supplier on Syspro.
